

## Accounting – where the difference adds up

### Audit and accounts

More than just a tax compliance service. Audit and accounts are prepared working closely with your company to ensure they are presented in the most advantageous way, and at the same time provide you with the information you need to make considered business decisions.

### The Tax advantage

Using specialist tax advisers to add that extra element. From R&D allowances through VAT consultancy to cutting edge tax strategies Old Mill has the range of tax expertise not only to minimise tax liabilities but to add innovative solutions both for your company's future prosperity and for your future wealth.

### Independent Financial Advisers

Old Mill Financial Services LLP, one of the largest IFA's in the West Country, is fully integrated with our

accounting services. From Investment advice to a range of Pension options for you and your staff we are focused on providing future security for you, your family and your business.

### Corporate Finance

Whether you want help with raising finance, are considering a sale, looking into succession or an MBO, Old Mill's experienced Corporate Finance team in Exeter provide one of the most comprehensive offerings in the West Country. With four out of every ten companies expected to change ownership within the next ten years knowing what your business is worth and how to increase its value are key to entrepreneurial owner managers.

### The Old Mill Corporate advantage

Our integrated blend of core skills and experience offers a unique service. We are ideally equipped to help you meet your aspirations both for your company and for yourself.
